Rico-Argentine Mine Site

Dear Mr. Broste:

Ex. 5 Attorney Work Product (AWP)

Attached are two documents which were retrieved through PACER. The first is the case index for Crystal Oil Company's bankruptcy case (86-12834), which was filed in U.S. Bankruptcy Court in the Western District of Louisiana on 10/1/1986, reopened on 4/19/1996, and closed on 12/14/1999. The second document is the case index of a related case filed in the same court, Adversary Proceeding 96-01072, Crystal Oil Co. and Crystal Exploration & Production Co. v. Atlantic Richfield Co., filed 7/22/1996 and terminated 11/22/1996.

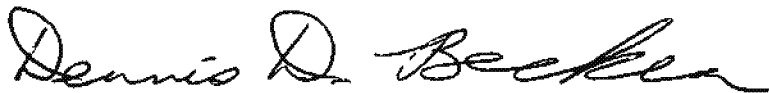

No cases were found in U.S. District Court in Colorado involving these parties, using online sources. Attached are the results of a search conducted through PACER on the word "Crystal" which show no match to the company names. SAIC also contacted the Clerk's Office at U.S. District Court in Denver by telephone and confirmed that there is no record of a case in that

District involving Crystal Oil Co. or Crystal Exploration & Production Co.

If you have any questions or wish SAIC to conduct any additional research, please contact me at (303) 969-6054.

Sincerely,
